

Excel College for Commerce and Science

BACHELOR OF COMPUTER APPLICATIONS
Internal Assessment Examination (IAE) - Set-I
23UCA506 - Python Programming
SEM-V Date: 29-07-2026 Maximum Marks: 50

PART - A

(10 x 1 = 10 Marks)

-
1. Sample MCQ question number 1?
(A) Option one (B) Option two (C) Option three (D) Option four
 2. Sample MCQ question number 2?
(A) Option one (B) Option two (C) Option three (D) Option four
 3. Sample MCQ question number 3?
(A) Option one (B) Option two (C) Option three (D) Option four
 4. Sample MCQ question number 4?
(A) Option one (B) Option two (C) Option three (D) Option four
 5. Sample MCQ question number 5?
(A) Option one (B) Option two (C) Option three (D) Option four
 6. Sample MCQ question number 6?
(A) Option one (B) Option two (C) Option three (D) Option four
 7. Sample MCQ question number 7?
(A) Option one (B) Option two (C) Option three (D) Option four
 8. Sample MCQ question number 8?
(A) Option one (B) Option two (C) Option three (D) Option four
 9. Sample MCQ question number 9?
(A) Option one (B) Option two (C) Option three (D) Option four
 10. Sample MCQ question number 10?
(A) Option one (B) Option two (C) Option three (D) Option four

PART - B

(Answer any TWO) (2 x 5 = 10 Marks)

-
1. Sample short answer question number 1?
 2. Sample short answer question number 2?
 3. Sample short answer question number 3?
 4. Sample short answer question number 4?

PART - C

(3 x 10 = 30 Marks)

-
1. a) Sample essay question 1a?

(OR)

- b) Sample essay question 1b?
